

TRIP Newsletter - for the week of August 30, 2010

Important Kroger Community Rewards Program Update:

NOTE: This information applies only to the handful of people who were unable to apply on-line and therefore picked up a copy of the scan bar from the parish office.

- Last month we were informed by Kroger that the Kroger Community Rewards program scan bar is not valid for the 2010 - 2011 TRIP year (2011-2012 school year).
- If you were given a scan bar from our office to sign up in April 2010, you will need to reapply on-line.
- Please ask for on-line information at pick up or contact the parish office.
- If you were using the scan bar, please note that you have not received credit toward your tuition for the 2011-2012 school year.
- Please know that this is out of our control and we have no control over Kroger decisions or policies. If you have questions regarding this situation, please contact Kroger directly. Again, we apologize for this inconvenience.

If you applied/registered on-line this information does not affect you.

NEW – Visit Great Lakes Scrip Center at shopwithscrip.com to see the selections of gift cards available. If you see a gift card you would like to order but it is not on the order form, write it in under the WRITE-IN area. **Please print clearly!** The item cannot be ordered if your handwriting cannot be read.
