

NEW TO TRIP – ORDERING ON-LINE

A new addition to TRIP this year is the ability to order on-line through Great Lakes Scrip Center. For a step by step user guide go to:
[https://www.shopwithscrip.com/myaccount/SWS Family User Guide.pdf](https://www.shopwithscrip.com/myaccount/SWS%20Family%20User%20Guide.pdf).

On-line ordering begins March 15, 2010

Please ask the pick up/drop off volunteers to see the list with your username and the e-mail address you registered with TRIP. After reviewing the user's guide, login onto shopwithscrip.com under **member's login**, by inputting your username and then select forgot password so you can set your personal password. After you have set your personal password, login and set up your payment option. If you choose to pay by check, the check must be brought to a TRIP pick up during normal times or the Parish Office in the Lamy Center by 8:45 Friday morning for your on-line order to be placed that week.
